**International Society for Strategic Studies in Radiology
Conflict of Interest and Disclosure of Relevant Financial Relationships Form**

Activity Name: Thirteenth Biennial Symposium and Meeting of the General Assembly
Activity Date: August 22 - 24, 2019

Presenting Faculty Panelist/Moderator/Rapporteur Program Committee

Commercial interest is herein defined as any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients. "Personal financial relationships" are defined as financial relationships in any amount occurring within the past 12 months that create a conflict of interest. Grant funding or contractual agreements with the participant's institution or Department shall not be considered a personal financial relationship for the purpose of this form.

Examples:

Nature of Relationship:
Salary, royalty, intellectual property rights, consulting fee, honoraria, travel reimbursement, ownership interest (e.g., stocks, stock options or other ownership interest (excluding diversified mutual funds) or other financial benefit.

Role:
Employment, management position, independent contractor (including contracted research), consulting, speaking and teaching, membership on advisory committees or review panels, speaker's bureau or board membership.

I have the following personal financial relationships with a commercial interest

Commercial Interest	Nature of Relationship	Role

I do NOT have any personal financial relationships with any commercial interests
